DISCLOSURE AND ACKNOWLEDGMENT
THE CLUB AT BRIAR'S CREEK PROPERTY OWNERS ASSOCIATION (POA)
SEWER UTILITY

The purpose of this Disclosure and Acknowledgment is to obtain the written acknowledgment of each property owner that if The Club at Briar's Creek Property Owners Association (POA) owns and operates the sewer facilities (utility) for Briar's Creek, each property owner member of the POA will be subject to an appropriate assessment to meet operating expenses of the sewer facilities that must be paid along with the other assessments due to the POA.

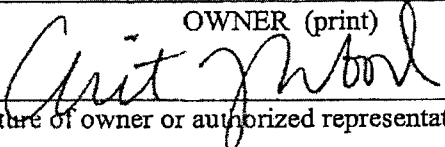

Briar's Creek Holdings, LLC, the developer of Briar's Creek and owner of the sewer facilities, must either form a Utility under the rules of the SC Public Service Commission (PSC) or divest of the sewer facilities. These assets include a wastewater treatment plant, 13 acre spray field, and all sewer lines and pump stations within the development. Briar's Creek Holdings has agreed to assign the sewer facilities at no cost, fund transactional legal fees and PSC filings, and fund past reserves to facilitate the transaction should the POA take ownership of the utility.

The Club at Briar's Creek Property Owners Association and Briar's Creek Holdings, LLC recommend the POA's ownership of the sewer facilities and request each property owner of the POA execute this Disclosure and Acknowledgement.

The below named Property Owner Acknowledges the sewer services in the Briar's Creek development will be provided by a non-profit homeowners association (Briar's Creek POA), in which each POA member (lot owners and Golf Club) is a voting member, and that an appropriate assessment to meet the operating expenses of the utility (sewerage facilities) must be paid by each POA member (lot owners and Golf Club), should the POA take ownership of and operate the sewerage facilities in Briar's Creek.

**DISCLOSURE AND ACKNOWLEDGMENT
THE CLUB AT BRIAR'S CREEK PROPERTY OWNERS ASSOCIATION (POA)
SEWER UTILITY**

The purpose of this Disclosure and Acknowledgment is to obtain the written acknowledgment of each property owner that if The Club at Briar's Creek Property Owners Association (POA) owns and operates the sewer facilities (utility) for Briar's Creek, each property owner member of the POA will be subject to an appropriate assessment to meet operating expenses of the sewer facilities that must be paid along with the other assessments due to the POA.

Briar's Creek Holdings, LLC, the developer of Briar's Creek and owner of the sewer facilities, must either form a Utility under the rules of the SC Public Service Commission (PSC) or divest of the sewer facilities. These assets include a wastewater treatment plant, 13 acre spray field, and all sewer lines and pump stations within the development. Briar's Creek Holdings has agreed to assign the sewer facilities at no cost, fund transactional legal fees and PSC filings, and fund past reserves to facilitate the transaction should the POA take ownership of the utility.

The Club at Briar's Creek Property Owners Association and Briar's Creek Holdings, LLC recommend the POA's ownership of the sewer facilities and request each property owner of the POA execute this Disclosure and Acknowledgment.

The below named Property Owner Acknowledges the sewer services in the Briar's Creek development will be provided by a non-profit homeowners association (Briar's Creek POA), in which each POA member (lot owners and Golf Club) is a voting member, and that an appropriate assessment to meet the operating expenses of the utility (sewerage facilities) must be paid by each POA member (lot owners and Golf Club), should the POA take ownership of and operate the sewerage facilities in Briar's Creek.

The purpose of this Disclosure and Acknowledgment is to obtain the written acknowledgment of each property owner that if The Club at Briar's Creek Property Owners Association (POA) owns and operates the sewer facilities (utility) for Briar's Creek, each property owner member of the POA will be subject to an appropriate assessment to meet operating expenses of the sewer facilities that must be paid along with the other assessments due to the POA.

Briar's Creek Holdings, LP, the developer of Briar's Creek and owner of the sewer facilities, must either form a Utility under the rules of the SC Public Service Commission (PSC) or divest of the sewer facilities. These assets include a wastewater treatment plant, 13 acre spray field, and all sewer lines and pump stations within the development. Briar's Creek Holdings has agreed to assign the sewer facilities at no cost, fund transactional legal fees and PSC filings, and fund past reserves to facilitate the transaction should the POA take ownership of the utility.

The Club at Briar's Creek Property Owners Association and Briar's Creek Holdings, LP recommend the POA's ownership of the sewer facilities and request each property owner of the POA execute this Disclosure and Acknowledgement.

The below named Property Owner Acknowledges the sewer services in the Briar's Creek development will be provided by a non-profit homeowners association (Briar's Creek POA), in which each POA member (lot owners and Golf Club) is a voting member, and that an appropriate assessment to meet the operating expenses of the utility (sewerage facilities) must be paid by each POA member (lot owners and Golf Club), should the POA take ownership of and operate the sewerage facilities in Briar's Creek.
